- Special Situations
- Going Private

Investment Criteria

Equity Investment

Up to \$175 million of equity per transaction

Company Size

Up to \$65 million of EBITDA

In considering an investment opportunity, the most important criteria for us are:

- A **strong and committed management team** with a clear vision and long-term outlook
- **Market leadership** in product line, distribution channel, cost position, and/or technology
- **Diversified** customer base and/or product portfolio
- **Opportunity to grow** organically and/or via acquisition
- Meaningful **management ownership** following closing
- **Strong, recognizable brands** in niche markets
- **Control investments** only
